2.7 – Install as PWA

SparkView offers native PWA support from version 1036 and can be installed as such on all operating systems under Google Chrome - including Chromebooks and ChromeOS.

To "install" the PWA on a client, the following steps are necessary:

1. Navigate to SparkView via Google Chrome
2. Click on the install icon on the right-hand side of the address bar
3. Confirm
4. Done ✔
